

Advent at the Intersections

AN EVENING OF REFLECTION FOR YOUNG ADULTS

DECEMBER 11, 2020 7:00-8:30 PM

Advent is a season of so many intersections: of the human with the Divine, of anticipation with assurance, of dark with light. This year, we are also experiencing the intersection of the togetherness of the holidays with the isolation of a global pandemic.

Join Cindy Cheshire, Campus Minister at the Newman Center in Keene for a night of exploring Advent at all of these intersections and more! We'll dive into Scripture, share some traditions of the season, and discover how God arrives at the intersections of our own lives. Bring a candle if you can!

There is no fee, but you must register to participate
