NATIONAL Eucharistic Congress

I invite you join me on a pilgrimage to Indianapolis in July of 2024 to attend and participate in this once in a lifetime experience.

First of all, go to **Eucharisticcongress.org** and check out what the congress is all about.

Second, here are some of the details I worked out already.

- 1) Transportation: A Motorcoach will leave Hartington the morning of July 16. It will travel to Omaha to pick up more fellow pilgrims. We will stay overnight at a hotel along the way. On the 17th we will arrive in Indianapolis for the event. The bus will be help us get back and forth from our hotel daily to the Lucas Oil Stadium and the surrounding convention centers. The bus will make the journey back and forth at around mid-day also. We will depart for home in the afternoon of Sunday, July 21. We will stay at a hotel along the way and get back home on Monday, July 22.
- 2) Housing: We are arranging a hotel in Indianapolis where all of us will stay together.
- 3) Meals are not part of this package but breakfast might be part of our hotel amenities. We hope to be back at our hotel in the evening for sharing and maybe a nightcap.
- 4) Registration for the Congress will be discounted since we are using the tickets assigned to the Archdiocese.

More details are being worked out. Total cost, specific hotels, more details on the transportation etc.

For now: Are you interested in being informed as details become finalized? Send me a message:

I need your email address, home address and your text phone number.
