Christ is Risen!

He is Risen Indeed!

Alleluia!

The celebration of Easter is the high-point of the Christian church-year. Everything we do and celebrate points to and flows from Jesus' death and resurrection. Something happening in the worship life of the congregation? Ask, "what does this have to do with Jesus' death and resurrection?" We could go so far as to look at EVERYTHING that we do as a congregation and ask, "What does this have to do with Jesus' death and resurrection?" Are we proclaiming it? Are we pointing our neighbors, friends, co-workers, and even ourselves to the good news of Jesus' death and resurrection? Yes? Well, then. Let's go!

All four of the gospels (Matthew, Mark, Luke, and John) have an account of the dramatic events of that first Easter Sunday morning. There was a lot of coming and going from the garden tomb where Jesus' body had been laid—but was no longer there! Even Jesus himself appears near the tomb. It can all be a little confusing to try and line everything up. I've prepared a chart that goes through the various appearances of Jesus after His resurrection, both immediately and in the weeks that followed. These are recorded in the Gospels, as well as 1 Corinthians 15 and the book of Acts. The important thing to remember is that each writer is writing under the inspiration of the Holy Spirit and also from their own perspective. There are going to be differences in what each one records, but there aren't contradictions. Everything fits together to give us a picture of a very busy and emotional morning as the news begins to spread that Jesus was alive again and forever. From this we can have confidence that the eye-witness accounts of the resurrection are reliable and factual and given to us through God's Holy Word.

Easter is a special celebration for the church. Thank you to everyone who make our services so special this year with all their work. The music, bulletins, hymns, choirs, meals, flowers, cleaning, setting-up and taking-down all took many hands. How wonderful to be blessed with so many talented and serving people here in the Body of Christ at St. Paul! Thanks be to God!

ADOPT-A-STUDENT: Conner Forbes

Greetings in the Name of Jesus Christ,

I hope this letter finds you well! My name is Conner Forbes and I have been blessed to be called your Adopt-A-Student for this year. First, I would like to tell you a little bit about myself! I am originally from Columbus, Indiana. My home church is St. Peter's Lutheran where I was baptized, confirmed and brought up in to this day. I left home in 2015 to go to Concordia University Ann Arbor in Michigan. I joined Concordia originally as a DCE major, but eventually switched to the Pre-Sem major. My second year at CUAA I met my beautiful wife Emmi. We got engaged the following year, and married my senior year. Since my wife needed a year to finish-up school (her major is in English), we stayed in Michigan, where I worked at St. Matthew Lutheran Church in Holt as the youth director, music director, and 5-8th grade religion teacher at the day school. Recently my wife and I just found we are expecting our first child! She's due in late April, so keep up in your prayers.

My wife Emmi is the middle school English teacher at Grace Chapel Lutheran School, which is also my Resident Field Education church. My time at Concordia Seminary has been amazing so far. The education I have received is what I have been craving for since I first went to college. I have truly enjoyed my time here so far. I have you to thank for it. I cannot thank you enough for supporting me and making my time here possible.

Emmi and I's wedding psalm was Psalm 23, and I specifically want to highlight "I shall not be in want." Your support has been above and beyond what I could have ever asked for. It's because of this support that I can focus on my education, and work effortlessly toward being a Pastor, and not have to worry about paying for school. I thank you again for all the support you give, and I look forward to writing you more letters as my education continues!

The Lord be with you,
Conner Forbes

Our God can make the impossible possible!

A science lab conducts experiments that explain how things are possible. In Jesus' ministry, He did things that are impossible. His greatest miracle of all was dying on the cross and rising from the dead for our salvation. At *God's Wonder Lab*, discover that Jesus does the impossible for us.

GOD'S DESIGN: GENDER AND SEXUALITY

**Responding to Today's Challenges with Faithfulness and Grace
Sundays, at 9:30 AM***

God created humanity in His image—male and female He created them—to be companions, lovers, parents, and helpers. Sin has corrupted these good gifts. Today we continue to face challenges to God's good design for men and women. It can be difficult to know how to respond to these challenges with grace and faithfulness to God's Word, especially when it involves our family, friends, loved ones, or our own desires.

Over the course of this study we'll look at issues such as:

- Temptation, repentance & forgiveness
- Sexual sins: heterosexual & homosexual
- Transgenderism
- Marriage & family
- Living a chaste & decent life in what we say & do
- Loving our neighbor who is in sexual sin
- Opportunities to submit questions discreetly

*Sessions can be streamed live or on-demand YouTube, facebook, or spvc.org

Sad News in Christian's Life:

On Sunday, April 3, 2022, Christian's mother was called home to heaven. The letter on the following page was written several weeks before her death. Please keep Christian and his family in your prayers as they mourn his mother and adjust to all the changes this will bring in their lives.

Here is the email we received from Point of Grace that was sent to us and to his sister's sponsors.

I am writing to inform you of the sad news of the passing of Joy and Christian's mother. As you may remember from the bios of your children, their mother was a Deaconess who worked closely with the elderly women that are grandmothers to many of our children at Point of Grace.

She passed away on Sunday afternoon - Please keep these children in your continued prayers as they struggle with this loss in their lives. They do have a father who is a Pastor in the Lutheran Church of Kenya but lives 2 hours away from the school, where they have lived with their mother. I don't know what the situation will be but confident that both children will remain in the care of Pastor and Lorna and Point of Grace in the future.

Blessings,
Cheryl Brockmann

Dear Sponsor,

I am very grateful for you. I thank the Almighty God for providing me with you. I send you my greetings from POINT OF GRACE. I'm in Form three and am working hard to fulfill my objectives as a student. My goal at the end of this academic year is to get a B plain and get a chance to join university. I would like to be an engineer in future in order to help people in their problems. I could also get a chance to sponsor one person in future. Point of grace is a nice place with nice people who are friendly. The teachers in point of grace are always ready to help me in every problem that I encounter in subjects.

My hobbies that I love to do is playing football and basketball, I love playing them during our game time in school. I want to inform you that my father is a pastor just like you are, my mum is a deaconess. I am a second born in a family of three children. My younger sister is at grade 3 while my older brother is at university level doing a course in teaching. I was very happy when I was informed that you offered to help me during this academic year as my sponsor. I thank you very much for offering a chance to help me. I hope that you are doing well together with your family. I know you are working hard to ensure that I am always in school. Thank you and may the Almighty God shower you with his blessings.

LOVE YOU TOGETHER WITH YOUR FAMILY

Yours Faithfully
Christian Easter.

Our son, Spencer, was diagnosed in 2017 with Juvenile Dermatomyositis (JDM). This is an extremely rare autoimmune disease that only affects 2-3 kids out of a million. His immune system attacks his muscles which causes muscle inflammation and pain along with weakness. Prior to his diagnosis he went from being an active 4 year old to struggling to get in and out of bed, going up stairs or even getting dressed. He would cry in pain almost every night.

After diagnosis, he was able to get relief from Prednisone and Methotrexate. By fall of 2019 we were able to wean him off Prednisone with success. Unfortunately, he came down with a virus in February 2020 and in March of that year his disease flared. His muscles were hurting him and daily tasks became very difficult. We also began noticing Calcinosis developing in 4 different areas of the body (side effects of the disease affecting his range of motion, etc.) This time around we had more trouble getting things under control.

We were able to meet with the top specialists for JM to get some advice. In November of 2020, he began a new treatment including daily Prednisone and Colchicine, weekly shots of Methotrexate and Orencia (immunosuppressants), and Intravenous Immunoglobulin (IVIG). Spencer's IVIG treatments require him to spend a full day in Akron Children's Hospital each month.

Cure JM is an amazing organization that is dedicated to funding research and pursuing a cure. JDM is an "orphan" disease which means that due to its rarity it DOES NOT RECEIVE GOVERNMENT FUNDING like other diseases. They rely solely on fundraisers like this one. We are humbly asking for your help in raising money to support our boy along with all the other kids who are special enough to be in the 2 or 3 out of a million.

With sincerest gratitude,

Jim and Rebecca Tighe

DVD PLAYERS AVAILABLE

Self-contained DVD players/screens are still available if you or someone you know is unable to stream the service, is temporarily hospitalized or isolated, or has a TV setup that makes watching DVD's challenging (cable boxes and input switching can be a real pain!). Contact the church office if this would be a benefit. Special thanks to a generous donor who has made these possible.

RECYCLE WORSHIP BULLETINS

You're encouraged to take home your worship bulletins (use the scriptures, hymns and prayers for your own devotions!). Or, please use the blue recycle tub that is located in the hallway as you leave the sanctuary. **Unused attendance slips may also be placed in the recycle tub.** Thank you.

PREPARING FOR WORSHIP

Gentle Reminder, as the time for the worship service approaches, those around you may be preparing for worship through silent prayer. Please be courteous to them by being mindful of the volume of conversations. Thank you and may the Lord bless your worship of Him.

IN-PERSON SUNDAY BIBLE CLASS

Join in on Sunday mornings between services at 9:30 AM in the Fellowship Hall. If you are viewing from home, watch live or on-demand just like our worship services (YouTube, Facebook, or www.spvc.org).

WIGGLE BAGS

Please help yourself to these goody bags that hold various activities that help kids engage and participate in worship service. Hopefully this will help alleviate stress for parents who are worried about their child making it through the whole service, but more importantly, they help teach kids that "big church" is for them too. We are grateful to Sarah Moser who attends to keeping up with sanitizing and providing clean Wiggle Bags each week. Please return the "used" Wiggle Bags to the "used" plastic bin after the worship service. Your donated supplies may be given to Sarah Moser, thank you.
