A convert to the Catholic Church, Steve Ray is the author of three best-selling Ignatius Press books. He is a regular guest on “The Journey Home,” and has appeared on many other radio and TV programs, including Fox News. Steve and his wife Janet are certified guides to the Holy and lead pilgrimages throughout the Middle East and Rome. He is the writer, producer and host of the 10-part documentary series “Footprints of God” filmed entirely on location in 16 countries.

Steve and Janet started their own business from their dining room and built it up to 600 employees before he sold it to write, travel, teach and spread the gospel. In 1996, Tom Monaghan of Dominos Pizza invited Steve to join the organization of CEOs named Legatus and he served on the Ave Maria Foundation Board of Directors.

Steve now spends most of his time writing, producing documentary videos, traveling, teaching, and service to the Catholic Church. Steve and Janet have led over 100 pilgrimages to the Holy Land along with others to Italy and Rome, Ireland, Poland, Lourdes & Fatima and other biblical and Catholic sites.
