

The Office for the New Evangelization, Archbishop's Commission for Missionary Disciples and FOCUS Parish present

Making Missionary Disciples

The Fellowship of Catholic University Students (FOCUS) is arguably one of the Church's most effective evangelization ministries, having transformed the lives of thousands of college students through an encounter with Jesus Christ in the heart of the Church. Now FOCUS is bringing their charism to parishes.

Drawing on twenty years of experience with hundreds of alumni who serve in parishes in RCIA, sacramental prep, adult faith formation, marriage ministry, youth and young adult ministry and more, **FOCUS Parish is offering a practical workshop on how to form a culture of missionary discipleship and raise up evangelizers in your parish.**

WORKSHOP TOPICS INCLUDE:

- How to incorporate FOCUS' Win-Build-Send model into the various aspects and ministries of a parish
- The art of small groups and intentional accompaniment
- How to invite others into deeper friendship with Christ
- How to equip your leaders for mission

SPEAKER

Dr. Edward Sri

Theologian, author, speaker and leading parish evangelization and catechetical expert

WEDNESDAY, MAY 4, 2022
