

Good Morning. The MQP Uncorked Auction is this Saturday! This Annual MQP Event has, over the years, raised thousands of dollars for our St. Vincent de Paul Conference and supported many other MQP ministries.

We still have tickets available which you may purchase at this link. [2022 MQP Uncorked \(auctria.com\)](https://auctria.com)

One of the highlights of the auction are the wonderful Silent Auction items that are available for anyone to bid on. (You will find a list of the items below) If you are registered for the Auction, you can bid on silent items now. If you are unable to attend the auction, you may still participate by registering, at no charge, for that opportunity at the same link: [2022 MQP Uncorked \(auctria.com\)](https://auctria.com)

We also have some great live items: these include a week in Maui, another great house in central Italy, and a fantastic basket from St. Vincent de Paul with Kraken gear (and including Kraken Tickets in the lower bowl from Brian Gallagher and Eliza Jang), great dinner parties and more! **To bid on live items, you need to be present at the auction.**
